A collection of various wooden baby toys is displayed on a white cloth with a repeating geometric pattern of small triangles in shades of green and grey. The toys include several wooden rings of different shapes (circular, teardrop, and a large one with a tassel), a wooden rattle with a circular head and a handle, a wooden rattle with a star-shaped head and a handle, a wooden rattle with a circular head and a handle, a wooden rattle with a circular head and a handle, and a wooden rattle with a circular head and a handle. The toys are made of light-colored wood and are arranged in a scattered manner. In the top left corner, the word "Rattle" is written in a large, bold, white sans-serif font. Below it, a line of smaller white text reads: "A Wooden Baby Rattle, Made From Natural Wood And Finished With A Belgian Oil Specially Formulated For Infant Toys." The background is a soft, out-of-focus white surface.

Rattle

A Wooden Baby Rattle, Made From Natural Wood And Finished With A Belgian Oil Specially Formulated For Infant Toys.

A collection of various wooden baby toys is displayed on a white cloth with a geometric pattern of small triangles in shades of green and grey. The toys include several wooden rings of different shapes (circular, teardrop, and a large one with a tassel), a wooden rattle with a circular head and a handle, a wooden rattle with a star-shaped head and a handle, a wooden rattle with a circular head and a handle, and a wooden rattle with a circular head and a handle. The toys are made of light-colored wood and are arranged in a scattered manner. In the background, there is a white cloth with a small, dark, abstract pattern. The overall scene is well-lit and has a clean, minimalist aesthetic.

Rattle

A Wooden Baby Rattle, Made From Natural Wood And Finished With A Belgian Oil Specially Formulated For Infant Toys.
